

# 6<sup>th</sup> SEEITA & 5<sup>th</sup> MASIT Open Days Conference

Conference of the SEE IT Associations and Businesses - [www.seeita.org](http://www.seeita.org)

21-23 September 2008, Ohrid, Republic of Macedonia

In the period between September 21<sup>st</sup> and 23<sup>rd</sup>, 2008, some of the most powerful technology and business leaders from the SEE Region will come together in Ohrid to exchange policies and ideas on technology in order to impact the ICT development in the SEE Region.

This year the conference incorporates a three-day event to address regional impact issues such as:

- Public-Private Partnership
- Public Procurement
- Workforce Development
- Industry Standards
- IT Service Management
- ICT in Agribusiness & Tourism
- Electronic Communications Liberalization
- Strategic Alliances and Globalization
- Business Angels / Investment Funds

The conference will host the first meeting of the Management Board of the SEE ICT Private Sector Forum (a private sector initiative supported by the Business Advisory Council for South East Europe). Find out more about the SEE ICT Private Sector Forum [www.seeictforum.org](http://www.seeictforum.org).

Official language of the Conference is English.
