BAC mission—12-16.04.2010, Washington

The Chairman of the SEE ICT Forum Mr. Toni Petreski participated to Business Advisory Council—BAC mission held in Washington in the period between 12-16.04.2010. During the BAC meeting held on 14.04.2010 there was a discussion regarding the name and the activities of the SEE ICT Forum Board. It was concluded that the SEE ICT Forum Board should proceed with the name "SEE ICT Forum" and the number of Board members should be up to 5. During the visit to Washington, Mr. Petreski held meetings with high officials from the US Government, companies, World Bank, WITSA and other institutions. More information will be soon available at www.seeictforum.org.

Fundraising Challenges: SEE ICT Forum Initiatives

As an outcome of the SEE ICT Cluster Project initiative of the SEE ICT Forum, the following project proposals were developed:

- Armenia — "Center of Excellence for SEE ICT Cluster"
- Armenia — "SEE Expo on wheels"
- Bulgaria — "Center of Excellence in ICT Training and Certification"
- Croatia— "Cluster Academy"
- Greece — "Access to finance for innovative SMEs from SEE"
- Macedonia — "Institutional Capacity building for ICT Associations"
- Macedonia — "Methodology for ICT Workforce Demand Survey"
- Moldova — "Database of the ICT sector in SEE"
- Serbia — "Web Portal as a channel for regional communication and cooperation in ICT"

All of these initiatives are targeted to appropriate donor organizations.

See the whole [Summary of the SEE ICT Initiatives](#). For more details please contact Ms. Anita Nikova at anita@masit.org.mk.
